Absent (unexcused):

1. Call to order and approval of last meeting's minutes
2. Community Bridge maintenance and repairs
 - William Cochran presented his concerns regarding current and future maintenance repairs, and made the following specific requests:
 1. That the City address current structural repairs required. He feels that the City has sufficient expertise and experience to handle this internally.
 2. That the City hire a public art conservator to assess the current state of the mural, and make recommendations for repairs needed now, and make future maintenance scheduling.
 - **APPROVED**: The Public Art commission recommends an inspection of the bridge be made by a City of Frederick engineer to determine life safety issues and structural repairs needed
 - **APPROVED**: The Public Art commission recommends that a request for bids should go out to at least three public art conservators to evaluate and assess the current condition of the Community Bridge and make recommendations as needed.
 - **APPROVED**: The Public Art commission recommends that the City include public art maintenance funding in its annual budget to maintain all pieces within the public art collection.
2. Public art collection website update
 - Progress has been slow and technical assistance is needed from The City IT department.
 - Roelkey will contact the IT department to set-up a meeting in June with Alison, Donna and Catherine in attendance.
6. Meeting adjourned 5:30 PM
