GUEST SPEAKER:

- Friends of the Child Advocacy Center**

The Friends of the Child Advocacy Center of Frederick County is an all-volunteer, non-profit organization officially established in 2006. The organization grew out a realization more needed to be done to prevent child abuse right here in our community. So a group of concerned women banded together to take action. [Read more](#) about our history and our mission.

Building on this mission, Friends has worked to promote zero tolerance for child abuse and neglect and to support the work of the [Child Advocacy Center of Frederick County](#) (CAC).

CAC serves over 400 children a year who have experienced child abuse, sexual assault, or child neglect. Often the children and their non-offending family members need services and support beyond the scope the CAC can provide as a government agency.

Friends of the CAC works hard to:

- Provide abused and neglected children with comfort
- Promote awareness and prevention
- Lend a personal touch

The mission of the Child Advocacy Center of Frederick County is to promote child well-being by providing a child and family focused center to address reports of child maltreatment. Together we seek to prevent and reduce trauma to children and families using a multidisciplinary approach to investigation, prosecution, treatment, education, and advocacy.

- **NAC 11 Short Term Residential Rental Group –**
4 Members of NAC 11 were in attendance to talk about the need for short-term residential rentals such as those on Air B&B. They said last month there were 92 B&B's in the city. They said these "little hotels" should be regulated. They believe that they also commercialize a residential area. These properties also do not have to pay rental/hotel tax. NAC 6/9 coordinators requested a specific list of recommendations that the group would like to propose to city officials so that NAC 6/9 can determine their support.
- **NAC 11 Downtown Litter Group – Julia Schaffer**
Julia wanted to update NAC 6/9 on the efforts of the Downtown Litter Group. This group formed to combat trash and especially cigarette butts. Cigarette butts are the most littered item in the City of Frederick. Photos were passed around the meeting. This committee believes that there is no current code to enforce trash on sidewalks. Code Enforcement cannot issue a notice of violation. The first goal is to get more trash receptacles and recycling cans. They will be speaking at DPW budget meeting to show their support. The second goal is to get a litter ordinance in place. The Sustainability Committee created a draft ordinance.

The Committee has met with the Downtown Frederick Partnership and representatives of the Mayor's Office and the Department of Public Works on ensuring that downtown Frederick has sufficient trashcans to meet current demands and to request that the City assume responsibility for purchasing trashcans. The result was a plan to set standards for sidewalk amenities for downtown streets – trashcans, recycling, etc. – and to use those standards for making future budget requests.

- **NAC 5 Street lights Ginny Brace -**
Ginny wanted to talk with residents about the acorn type streetlights and passed around a survey.
- **Cherian Eapen - City of Frederick, Traffic Engineer**
Rosemont & W. 2nd – State has the project and they have provided the city with a concept. The state budget is \$300,000 and hoping to start construction in August. The project should take 4-6 weeks.

W. 2nd @ Fairview – looking to add crosswalks at all four of the corners.

Fairview & Rosemont - previously requested crosswalks will be reassessed following completion of work at interchange of Rosemont & W.2nd.

OLD BUSINESS:

NEW BUSINESS:

SUGGESTIONS/COMMENTS/MISC:

- Cherian to return in March 2020 to provide an update.
