

**THE CITY OF FREDERICK
EXECUTIVE ORDER NO. 20-9**

BACKGROUND

As a result of the ongoing COVID-19 pandemic, Governor Hogan has issued numerous orders relating to, among other things, the closing, reopening, and operation of various types of businesses and the required use of face coverings within the State of Maryland. The Governor's most recent order (No. 20-11-10-01) became effective on November 11, 2020.

Pursuant to the authority granted by the Governor to issue more restrictive orders, Mayor O'Connor has issued several executive orders, most recently Executive Order No. 20-08, which took effect on October 2, 2020. That order provided that the Governor's Order 20-09-18-01 was generally in effect within the City of Frederick, with certain more stringent provisions relating to foodservice establishments and similar businesses and venues.

Mayor O'Connor now finds it to be in the best interests of the residents of the City of Frederick to mandate that all provisions of Order No. 20-11-10-01 are in effect within the city, and therefore no more stringent local order is necessary at this time.

NOW, THEREFORE, BE IT DECLARED BY THE MAYOR OF THE CITY OF FREDERICK, MARYLAND, that:

1. In the City of Frederick, the Governor's Order No. 20-11-10-01 is in effect in the City of Frederick, unless or until it is rescinded, amended, or superseded by future orders of the Governor or the Mayor.
2. The Mayor's Executive Order No. 20-08 is hereby rescinded and of no further effect. For avoidance of doubt, no prior local order relating to the closing, reopening, or operation of businesses in the City of Frederick is currently in effect. Businesses and individuals in the City of Frederick are subject to all relevant provisions of the Governor's orders in effect.

Dated at FREDERICK, MARYLAND, this 12th day of November, in the year of 2020, and effective immediately.

Michael C. O'Connor
Mayor, The City of Frederick
