Re: PZ23-585ZD Zoning Determination: 8431 Broadband Drive

Dear Ms. Cofano:

In response to your letter dated June 7, 2023, Staff has prepared the following information:

1. The property is currently zoned MXE (Mixed Use Employment Center), a floating zone designation applied to the property for the purpose of providing a mixture of uses, including commercial, employment, recreational, civic and/or cultural uses in a well integrated manner (§405).
2. The MXE development is regulated under the Land Management Code (LMC) Section 418. In accordance with Section 418(b) of the Land Management Code (LMC), a master plan divides the Riverside Corporate Park into four (4) separate land uses: Civic/Institutional/Cultural, Recreation, Commercial and Employment areas. The subject property was designated under the commercial category. Per Section 418(b)(3), the commercial category permits by right those uses which are permitted in the GC (General Commercial) zone per Section 404, Table 404-1, the Use Matrix.
3. The subject property also has an unconditionally approved final site plan, PC18-1112FSI for Lots 257A and 257B; this address is under Lot 257B. The site is therefore considered compliant with all regulations and any modifications or variances granted approval during the site plan review and approval are also compliant.

4. As part of the MXE development the site and the structures thereon are subject to design guidelines which are recorded in the Frederick County Land Records (L.2669 F.918).
5. The adjacent properties are all within the Riverside MXE zoning.
6. There are no outstanding zoning or building code violations to staff's knowledge.
7. Per LMC Section 902 Nonconforming Structures, "*In all other districts (excluding DR, DB, DBO), any building destroyed, damaged, or deteriorated by any means to the extent of 50 percent or more of its market value, or if relocated, no such structure shall be reconstructed or relocated except in conformance with this Code.*"

If you have any further questions please do not hesitate to call me at (301) 600-1718 or email me at preppert@cityoffrederick.com.

The purpose of the service provided by the Zoning Administrator regarding determinations/interpretations is to identify the zoning of a particular property, to verify that a use is permitted or permissible in a specific Zoning District and to clarify and interpret the Land Management Code. Any questions regarding specific regulations and requirements for a site or sites' compliance with the Land Management Code not addressed in this letter shall not be the responsibility of the Zoning Administrator. It is the responsibility of the applicant, property owner and/or property purchaser to review the project site plan and the Land Management Code for compliance.

This determination applies solely to the referenced property and is not binding upon the City, the Zoning Administrator or any other official with respect to any other property. No person may rely upon this determination with respect to any property other than the referenced property. Please be advised that any person aggrieved, or any officer, department or agency of The City of Frederick affected by an order, requirement, decision, or determination made by an administrative officer in the administration or enforcement of the provisions of the Land Management Code may appeal said decision within thirty days to the Zoning Board of Appeals.

Sincerely,

Pam Reppert
