POLICE REPORT:

Police report – A/Sgt. Pue was on hand to talk about any police concerns as well as address the statistics included at the end of the minutes. He also introduced to residents a new software program and report that he will be bringing. This new report shows the crime per location, days, hours, hot spots, etc.

A/Sgt. Pue also reminded residents to please lock their car doors as now that the weather is getting nicer more people are out and we usually see an increase in thefts from motor vehicles. A/Sgt. Pue talked about an attempted B&E where 2 males knocked on a door and when no one answered cut the screen to gain entry. The resident was home and scared the 2 off. He also talked about a recent incident at Windsor Gardens Apartments where there was a shots fired. No one was hurt and there was no property damage.
